Howden School
Uniform Policy
Aspiration Courtesy Excellence
<p>Introduction</p> <p>This policy is designed to ensure young people wear clothing that is conducive to a successful learning environment, and they take pride in their personal appearance. It is important that young people feel a sense of belonging to our school community through a smart and practical uniform.</p> <p>We believe that the school uniform sets standards in terms of high expectations and a purposeful attitude towards learning, whilst promoting the school and its ethos. School uniform allows all young people to feel equal to their peers and confident in appearance. We also believe it is important for activities to be facilitated by specialised and appropriate clothing such as sports specific clothing for PE.</p> <p>Wearing the correct uniform during the school day and whilst travelling to and from school is important to us. Young people are expected to take personal responsibility for wearing their uniform and meeting the expectations of our 'smart' ethos. As partners, parents and carers are asked to help us maintain standards and expectations by ensuring that their child is wearing the full uniform, correctly.</p> <p>Howden School is committed to promoting equality and value for money and ensuring that no student is discriminated against due to their religion or belief, economic circumstances, or social and cultural background. We will always work together with families to support the wearing of correct uniform.</p> <p>Anything not covered in this policy should be discussed with the Deputy Headteacher for Behaviour and Attendance in the first instance.</p>

Students are checked daily during ACE period to ensure they comply with the school's uniform code.

It is an expectation that students take pride in their appearance and are proud to wear the uniform of Howden School. Please support our school by ensuring your child wears the correct uniform. Please contact your child's respective Pastoral Team if there is ever an issue with their uniform. The school cannot accept responsibility for loss or damage of personal property.
